

## Homer Congregational Church Fellowship Hour 2017

***Thank you for hosting.*** It is a wonderful way to support church fellowship. We have done our best to assign everyone to a convenient date, but we realize there may be conflicts for some people. If needed contact someone else on the list and switch with them. **Please** let the church office (Sheila: 749-2604) know of the change so that the correct name will be in the Sunday bulletin.

There are cupboards in the kitchen that are labeled coffee hour supplies. They can be accessed from inside the kitchen or from the Russell Fellowship Room. Here you will find the following items:

Teas Sugar Powdered Creamer Stirsticks Coffee cups drink cups

Some paper plates and napkins

You may use the large platters, bowls, pitchers, baskets, and silverware found in other kitchen cupboards. Tablecloths (if desired): you may use your own or you may use the church's, which can be found in the drawers immediately to the left of the coffee maker (by the Russell Fellowship Room windows).

### Items you will need

Beverage (juice, milk, water, punch, etc.)

Things to eat

Other paper plates and napkins.

Please don't feel like you need to bake. Store bought-items are fine. There are typically 20-50 people at fellowship hour. Don't worry if you don't have a lot. It is not a meal, just enough for people to have a bite and chat.

It works best to set everything up before the service then come out during the last hymn to serve up drinks and finish setting up, if needed. If the coffee -machine is not plugged in when you arrive please do that first. It takes about 15 minutes to warm up. There are instructions taped to the coffee machine and everything you need is right there. Just ask someone if you need help. Once the coffee is made it can go on the table along with the cups, sugar, creamer, and stir sticks. Usually 1 carafe of regular coffee and 1 carafe of decaf is sufficient. If you would like to serve tea you will need to start hot water in a percolator *Marked H<sub>2</sub>O* and found in kitchen cabinets next to the swinging door of the kitchen. Filling with water and plugging it in before the service ensures you will have hot water when church is over.

Once Fellowship Hour is over, please wash and clean up any dishes used and wipe the tables. Towels can be found in the drawers to the right of the ovens. If you used a tablecloth or towels, please take these home, wash them, and return them to the drawers. If you have questions please call Belinda Burtson, Tracy Bertram, or Kathy McKenna (756-0915).

Again, thank you for hosting. Many hands make light work.
