COMMITTEE HIGHLIGHTS

The Mission Committee met on Monday evening. Highlights and decisions included:

- The total of the special offering for Haiti is now \$2,870. When the Mission Committee matches this and adds another \$1,000, we will send **\$6,740** to the UCC to help with earthquake recovery.
- The UCC’s *Neighbors in Need* special offering will be received on World Communion Sunday (Oct. 3). Envelopes will be available this Sunday. This year the “Unfailing Love” offering is focused on supporting organizations and projects that are serving homeless and immigrant neighbors or communities.

The Trustees met on Tuesday. Highlights and decisions included:

- A leak in the Jones Hall roof is causing a security sensor to malfunction. We continue to ask Goddard Roofing to inspect their work done last year. In addition, the sensor will be moved away from the area of potential leak.
- The ramp needs to be repaired. The quote from Haynes is \$12,500. The repair work should begin soon.
- Chuck Feiszli and Brian Cornwell continue to work toward the design for and installation of two TVs in the choir loft. These will replace the screen and will provide increased quality of picture. Funding for the TVs has been donated.
- Covid numbers require continued use of masks in our building. We are aware that we have multiple populations of vulnerable people, including our children who are too young to be vaccinated.
- Plans are beginning for ministry in 2022 and the corresponding budget to support that ministry.
