

WEEKDAY WORDS

Thursday, June 23, 2022

**NOTE THAT ON SUNDAY, JULY 3
WE BEGIN OUR SUMMER HOURS WITH WORSHIP AT 9:30 AM.**

LAST SUNDAY WRAP UP

The service last Sunday began with a special tribute to the men who have influenced our lives. Over 45 fathers were pictured, many with their children (who are now, themselves, parents). In her Children's Time, Alex Faulkenbury facilitated a deeper understanding of the events that resulted in the newest national holiday – Juneteenth. Based on Job 32:8, Kate Toole read a sermon written by her father, the Rev. Dr. Walter Donald Kring. We will remember Rev. Dr. Kring's five means of inspiration: sorrow, heartfelt joy, ideas, other people, and religion (the presence of the Divine within us). At the end, we sang the words that provide an anchor for many of us: Wherever you go, God is with you. Wherever you go, God is there...We are, indeed, in God's care.

THIS SUNDAY

A Member-in-Discernment is someone who has been approved to study for ministry by our Susquehanna Association's Committee on Ministry. Brianna Darling, who is attending Colgate Rochester Crozer Divinity School, is a member of our church family and a MiD - pursuing a career in Prison Chaplaincy. She will be preaching this Sunday, using Luke 9:51-62. Since the Faulkenbury's are on the way to see family, Carrie Scheibner will offer the children's time. As is our tradition on this last Sunday of June, our choir will offer some extra special music and it will be LIVE! Find the link for our worship at: www.homercc.com.

NEXT WEEK

Tuesday, June 28 The Church Council will meet at 6:30.

COMING UP

Wednesday, July 6 Worship & Music meets at 6:30.

Sunday, July 10 Celebrating the life of Steve Berry at 1 PM.

HOLIDAY IN HOMER

Have you added your name to a list?

Look in the Russell Fellowship Room for sign up sheets. We need early help setting up. We need help with pulled pork sandwiches, the raffles, and especially for clean-up. It is a day to join with this family of faith as we host our entire community in a summer celebration of good food, great music, extraordinary crafts and a whole lot of fun.

WHEN YOU PRAY...

Give thanks for:

The start of a different schedule as schools are out and parents find exciting summer opportunities for their kids; the bounty of gardens, the joy of a good golf game, the chance to swim.

And please remember:

Families in crisis; people relying on God's presence for healing or guidance; those who may need hospice care and those who are grieving deeply.
